## TRADE STAND RULES AND REGULATIONS

### 1. BOOKINGS

All applications for trade stand ground space for Trade Exhibits must be made on the form supplied, completed in black ink and clearly written. Payment should be sent with the application or the appropriate BACS tick box endorsed to indicate an electronic payment. A receipt will be included in the Pack sent out late June/early July which will include a car park pass and other information necessary to setting up. Applications close on 31<sup>st</sup> July 2021 or earlier if space is filled. Bookings received after this date incur a 20% surcharge. The Society aims to ensure that no more than two similar trade stands are accepted to allow for a full diversity of attractions however the Society will waive this decision if it is in the best interests of the show and visitors to the show. Applications from charitable and educational based organisations are welcome and will be charged at half the price of their chosen sized space. In the interest of the Show the Society may restrict the number of charitable organisations accepted. Charities are not allowed to make collections but articles can be sold and intention to do this should be declared when completing the application form.

All Booking forms should be accompanied by an up-to-date Risk Assessment, a copy of the Public Liability Insurance certificate and a cheque or notification that a BACS payment has been made. A trade stand booking is considered confirmed only when cheques and BACS payments have been cleared by the Society's bank.

All exhibitors and their representatives entering the Showground will be subject to the Rules and Regulations of the Society and of the Society's officers which they are deemed to have accepted. The Regulations are available either on the society's website or by post upon request.

The Society reserves the right to refuse any application without entering into correspondence.

Exhibitors are solely responsible for the safe custody of their property. The Society, Officers and staff disclaim any responsibility and all liability in respect of loss (including damage, theft, fire, accident etc) save for damage or loss caused by the negligence of the society or its officers. The Society strongly recommends that all Trade Exhibitors arrange adequate insurance to cover any loss.

### 2. ALLOCATED SPACE

The Society will allocate a specific space for each trader to occupy and a grid reference comprising a letter and a number will be included in the information sent out together with a map showing the row reference. According to the information completed on the booking form a vehicle may, or may not be, allowed on the stand. The Society reserves the right to change a space if it is deemed necessary for the efficient running of the show. If a special circumstance applies the trader is advised to make this information available to the Show Secretary without delay so that the matter can be resolved to the satisfaction of both parties. Where tents, gazebos and the like are to be erected sufficient space must be allowed to include tent guy ropes as these cannot be allowed to project outside the area booked. Space booked must include an allowance for trailers which are part of the exhibit including drawbars as adjacent trade stands may be in place when you arrive and the size of space booked must allow for parking under such circumstances. Please note that all sites are in the open on grass. Spaces are allocated on a first come first served basis. Mobile ice cream, fast food vans and trades of any description will not be allowed into the Showground car parks.

### 3. GENERATORS

All Generators must be supplied by the exhibitor. Generators must be silent running.

### 4. SHOW DAY PROGRAMME

The name and address of each Trade Exhibitor and a brief description of the exhibit, goods and/or service will be included free of charge in the Show Day Programme for all applications received prior to 31<sup>st</sup> July 2021. A maximum of fifteen words are permitted. The exhibitor's description must be provided on the reverse of the Booking form page.

### 5. CANCELLATION

In the event of any exhibitor notifying the Secretary that he/she is unable to attend the Society will refund the charges paid less an administration fee of £25 provided that the space can be resold by the Society. In the event of cancellation of the booking by the Society (whether or not the Show takes place) the only compensation due to the exhibitor will be a refund of the fees paid in respect of the cancelled booking.

### 6. ACCESS TO SHOWGROUND

Any exhibitors, caterers or vehicles arriving or delivering to an exhibitor's stand arriving after 8.45am will not be admitted to the showground.

### 7. CLEARANCE

Exhibitors are not be allowed to remove turf or dig up ground in any part of the Showground without the permission of a Society officer.
