A WARM WELCOME

Welcome! It is great to be back.

We did it! After such a difficult couple of years, Fillongley Agricultural Society have managed to put the last few years behind us and we are putting on again our Annual show.

Changing venue has added to the complexity of achieving this goal but with thanks to Andrew and Tracey Green, Wes and Annie we are staging our annual show at Springfield farm Ansley. The show has been held at a number of different venues over the years, recently as many of you will be aware at the old show site in Corley courtesy of Mr & Mrs John Docker, Mr & Mrs Davies, and Mr & Mrs S Buckler. For hosting us so generously we say a big Thank you! However, with a lack of parking we have moved to this great new site, a large flat site which is a bonus for the horses and already set up to help accommodate the show.

During the covid pandemic we moved online and achieved our aim of keeping our society productive, supporting the local population with a number of online shows we managed to boost morale and provide some community interaction during some very dark and difficult times. We were able to do this with great support from our committee members especially the tech savvy younger people on our committee who were able to guide and advise us as our Online; Horse show, Garden Competition, Halloween Decorated pumpkins and Easter competition went online widely supported by the local community. Thank you to Planters Garden Centre for supplying gift vouchers for these competitions. The local radio station BBC WM were impressed enough to interview me, and this also boosted our morale to help us keep relevant and continue.

Thank you to everyone for your support.

As Chair I welcome you all and hope you enjoy your day, we have maintained much of the traditional show, the Horse show, our magnificent Horticultural marquee - the heart of our show, the Dog show, Livestock and Main ring attractions. We have introduced rest areas for families with young children, picnic areas and outdoor Crafts and Shopping to provide a family atmosphere for everyone to enjoy. I hope everyone has a great day out. Enjoy. I and the rest of the committee look forward to catching up with old friends and acquaintances during the full day we have planned for you all.

Thank you to all of our sponsors and supporters, all of the volunteers who have generously given their free time and of course to a wonderful committee who have worked tirelessly to achieve our goal of hosting again what was an annual event for over a hundred years to give you a Show Day to remember and celebrate a great comeback for the Fillongley Agricultural Show.

- Cathie Barrs, Chair of Fillongley Agricultural Society

HEALTH & SAFETY FOR VISITORS

Please note that it is your responsibility to look after your own safety whilst visiting the Fillongley Agricultural Showground & this Safety Notice has been designed to contribute towards your enjoyment during the show

1. Help prevent accidents by being aware of your surroundings
2. Remember that all animals/birds are unpredictable and can be dangerous
3. Ensure that when you cross over animal walkways extra care is taken and that you comply with the instructions issued by the Crossing Steward
4. Take care of your children
5. Keep push chairs & prams well away from large animals as they may adversely react to them
6. Be aware of moving machinery & moving vehicles
7. Do not walk in Animal Collecting Rings, Show Rings or Animal Walkways
8. Do not leave glass on the ground, place it in the bins provided
9. Do not light fires or discard cigarettes etc, until they are fully extinguished
10. Remember when reversing your cars, to do so with care
11. All dogs must be kept on a lead at all times and be fully controlled
12. Do not park your car in the Lorry Parks
13. Co-operate with our stewards in cases of emergency
14. Keep a look out for obstructions that could cause you to slip or trip, such as Marquee Guy Ropes and uneven ground
15. Do not leave litter as it is a health hazard
16. Take note that there may be sudden noises that can frighten you and your dogs e.g. bangs, loud music, tannoy announcements
17. When entering trade stands, take note of safety notices and exit signs
18. Remember that Fair Ground rides can be dangerous and you use these at your own risk
19. Drink plenty of water to avoid dehydration
20. Take regular rests as necessary, especially if you are pregnant
21. Pregnant women; Persons without a Spleen; those that have had a Heart Transplant; and the Elderly; should avoid contact with Farm & Equine Animals to avoid transfer of diseases
22. Be aware that there are a number of generators located around the Showground creating electricity therefore keep well away from this equipment
23. The Show Ground has a number of inherent hazards such as ditches and ponds, these should be avoided to prevent accidents
24. Wash your hands thoroughly before eating in case you have been in contact with animals
25. Consume alcohol responsibly
26. Carry out fully, the instructions given by those controlling activities such as shooting, fishing, climbing and driving
27. Listen carefully to public announcements and adhere to any instruction given out
28. Make yourself aware of the location of the First Aid centres
29. Remember that Catering Units often have hot surfaces and can cause a burn or scald
30. Note if there are any approved controls for Foot & Mouth Disease, please carry out the disinfecting procedures given to you by the Gate Stewards
31. In high winds, hazards such as dust and falling material could be evident
32. Protect yourself from the Sun by using sun block and / or appropriate clothing
33. Note that you are in the country and there maybe additional pest activity e.g. wasps. So be alert at all times
34. Keep safe when riding on vehicles such as tractors and trailers either power driven or pulled by animal
35. Keep your distance during demonstrations which could be dangerous e.g. shoeing horses & chainsaw demos
36. Do not act in a manner that could cause an accident, such as unruly behaviour
37. Note that abusive or violent behaviour will not be tolerated and you will be removed from the Showground and refunds shall not be given
38. Missing Persons should report to the Secretary's tent
39. Ensure you carry your Epipen if you have been prescribed one
40. Do not park your car in a disabled parking space unless you are in possession of a blue disabled badge

WHY NOT BECOME A MEMBER?

The Fillongley Agricultural Society hold an impressive history, going back over 100 years. The society hold the annual Fillongley Show, a traditional country show to be enjoyed by all.

The show holds much sentimental value to much of our members, and ongoing support helps the society to host the show each year.

For more information on the variety of benefits our membership packages entail, including access to the Hospitality Marquee, please visit the secretary or email on secretary@fillongleyshow.org.uk.

A Word from the President

In 1964 when, aged 5, I entered my first Fillongley show on my pony Mr Pippin, little did I know that some 59 years later I would have the privilege to be President of the Fillongley Agricultural Society.

I have a long background in the local area with my mum's family (the Southall's) smallholding and learning about the countryside and animal husbandry.

I have shown many things at the show over the years – vegetables, flowers, fruit, eggs, ponies, rabbits and poultry – and many others, I'm sure. Winning a selection of prizes.

About 25 years ago I joined the Society show committee and have helped the show in the ways I can contribute.

The work of the committee often goes unseen and is done by a band of volunteers who rope in family, friends, and helpers, who all pull together to put on a show day which we hope you all enjoy.

From early beginnings on my pony to serving on the committee, eventually becoming a chairman and now President. I thank you all for the effort that goes into making Fillongley show a great day out, whatever part you play and to the public for coming along to enjoy the day. Without you all it simply would not be Show day.

- Rupert Stephenson, President of Fillongley Agricultural Society

HORTICULTURAL SECTION 2023 UPDATE

After a few tempestuous years, we are finally able to enjoy and celebrate our wonderful show once again. We look forward to welcoming you back and seeing your wide variety of entries and all the hard work and dedication that you pour into every single one. It may be growing the largest marrow, the intricate detailing in handicrafts or providing us with a snapshot into your world through the photography entries, the talent is a quite a remarkable sight to behold.

When all the hustle and bustle on the morning of show day has subsided and every submission is in and accounted for, it is lovely to wander around and appreciate all our competitor's entries. Personally, this is one of my favourite moments of the day as every item that you have either created, designed, or grown are all viewed and celebrated while the judges are busily assessing and making their exceedingly difficult decisions.

For all our avid gardeners, we held our annual gardening competition on Saturday 1st July which was well supported with entrants showcasing their glorious gardens. The pictures will be displayed in the marquee including the winners from both categories. Unfortunately, due to unforeseen circumstances, a decision was made to postpone the allotment competition. However, we would like to invite our competitors back to take part next year and to extend a thank you to everyone who participated in the garden competition this year.

A great deal of effort and research from our horticultural committee goes into keeping the classes current and interesting year on year but we always welcome comments and suggestions to further improve both schedule and show. I would also like to take this opportunity to thank all involved who support us every year. All your hard work and dedication is greatly appreciated and without it, the section would not be as varied and exciting as it is today!

O'FLANAGAN HOMES

OPENING NEW DOORS

HORSE SECTION 2023 UPDATE

The Fillongley Agricultural show has been running for over 100 years. This all achieved by an army of volunteers.

The awards of trophies and cups tell their story; an inscription dated 1933 C Knowles makes its mark on history, the feeling of pride on receiving an award makes all the hard work worthwhile.

For myself I recall entering the fancy dress on a Thelwell type when the Show was held on the Tamworth RD Keresley at approximately 4/5 years of age. At this time steer riding/Darby and Joan all events that took place, would not be allowed now Health and Safety.

The show moved to a site at Corley Moor attracting huge crowds however a saying was it will "rain that day it always seemed to rain for Fillongley Show " Yet again events held that were huge fun, the finale of the Show was musical Car blocks proving very competitive.

The atmosphere preceding the show was electric with the farm vehicles up and down the lanes with tents being erected, rings put in place. Entries for Horticulture having to be produced in time to be judged and the tent being opened for people to view:

Cattle, pigs, sheep and covies all there to be seen bringing Town and Country together.

I hope the Fillongley Agricultural show continues to flourish, Agricultural Shows are part of our heritage.
